

## *Theatrical Measuring Kit*

We do not hold any theatrical styles in stock, as each item of footwear has to be made specifically for each customer.

1. Choose the design that you require, stating the name and reference number. If you require a design that is not illustrated please supply a drawing or photograph of the required style.

**Print off the foot chart and complete as indicated for each person requiring footwear.**

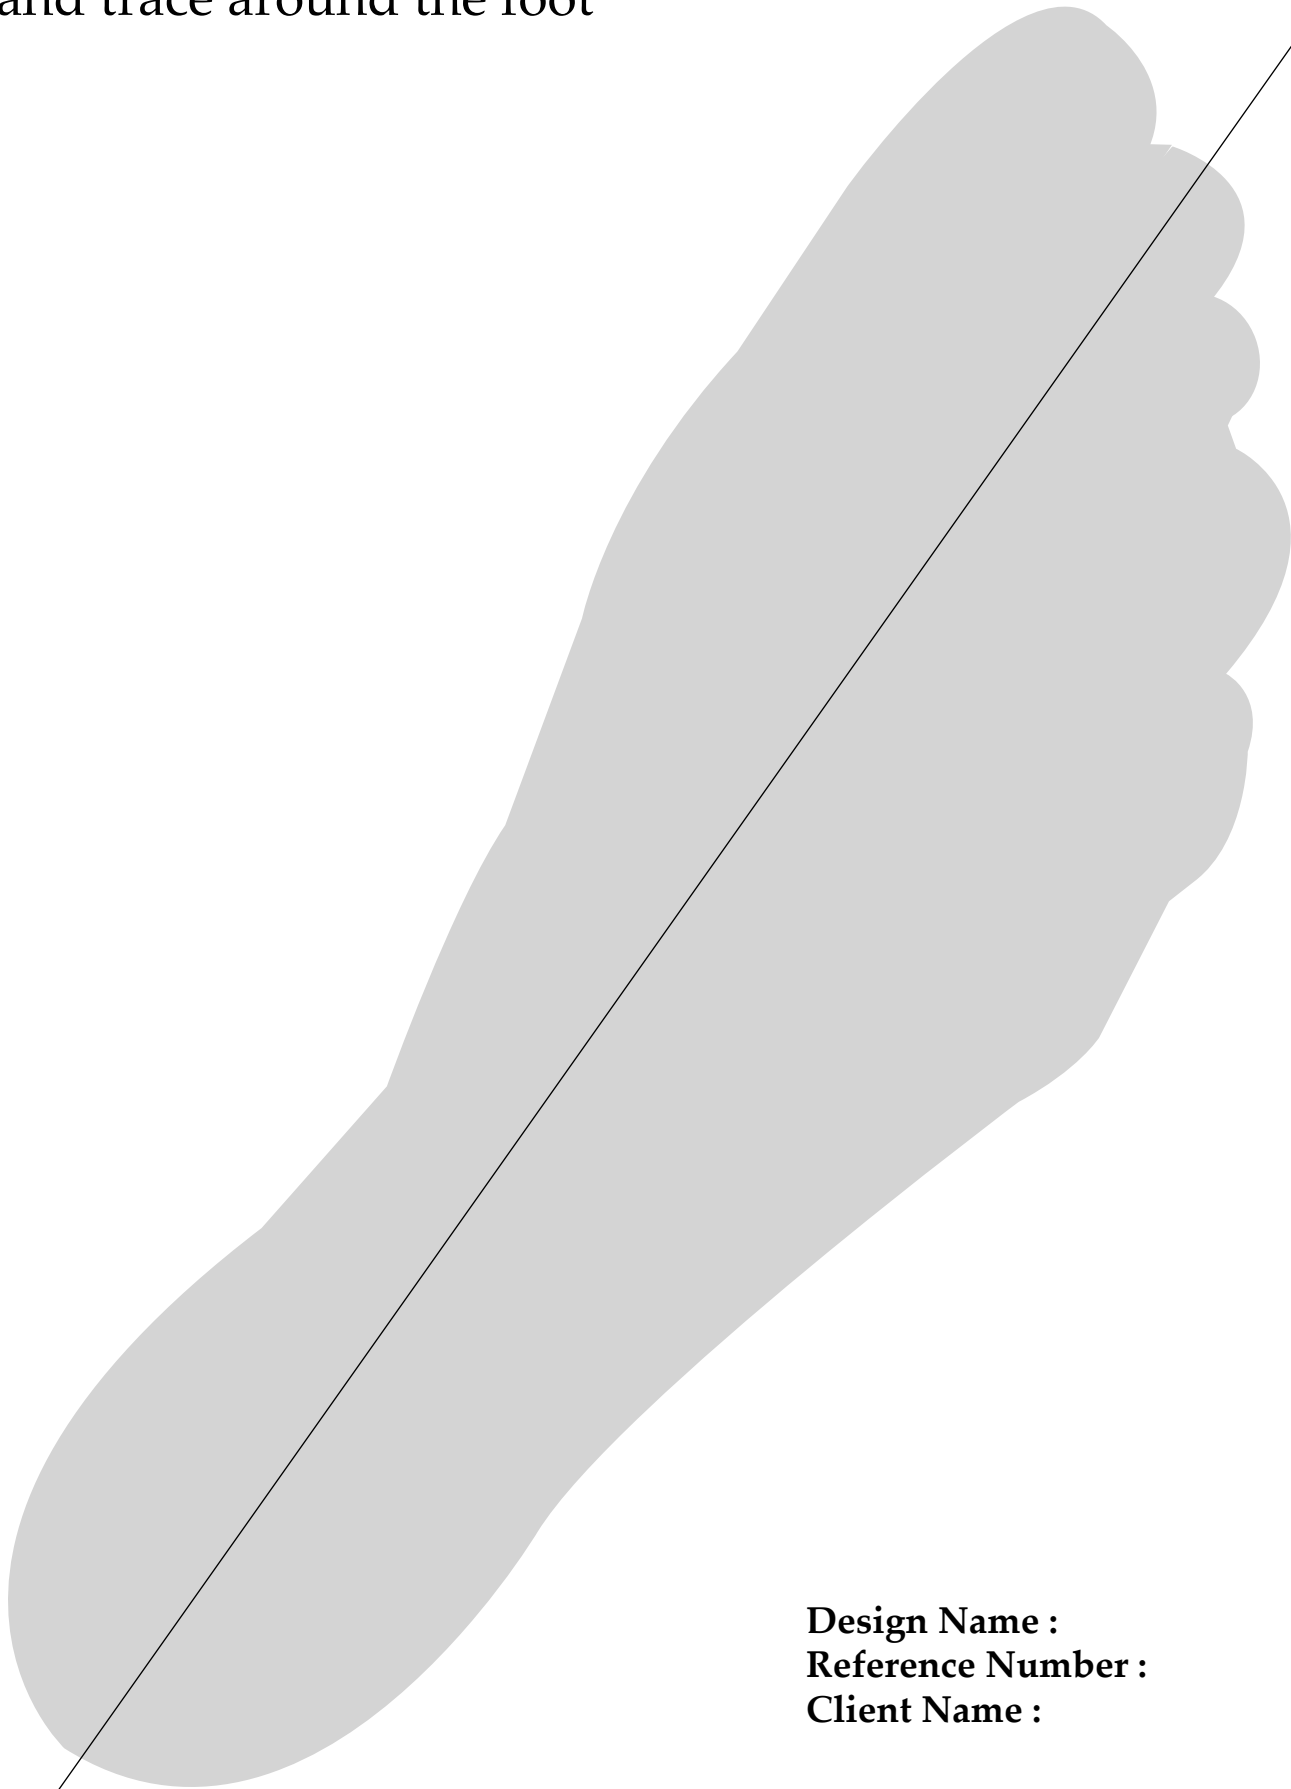

2. Please draw around each foot on the chart using a pen, ensuring the pen remains vertical at all times. Please do not fax the form as some reduction may occur.
3. Please attach any colour samples of fabric swatches to the foot chart.
4. All orders must be accompanied by an official order form or letter.
5. We will then get back to you with details, indicating prices and delivery.
6. Please send orders to :
